A modern architectural photograph of a house featuring a combination of wood and glass. The upper part of the image shows a close-up of the roof and upper walls, which are clad in horizontal wooden planks. A dark, cylindrical vertical support column is visible. Below this, a dark horizontal band separates the upper and lower levels. The lower level has a large glass facade that reveals the interior of a bedroom, including a bed, a circular wall sculpture, and string lights. The house is surrounded by a wooden deck, large rocks, and greenery. The sky is clear and blue.

LEGRO FS 21 (MAPLE)

A modern, two-story house with a dark, minimalist design. The facade features large glass windows and doors, reflecting the surrounding trees. The exterior walls are clad in dark, rectangular stone tiles. Vertical wooden slats, identified as LEGRO FS 21 (MAPLE), are used as decorative elements between the glass sections. The house is situated on a raised platform overlooking a calm pond. In the foreground, a circular stone-edged lounge area with cushions is visible in the water. The sky is overcast, and the overall atmosphere is serene and contemporary.
